Benefits of subscription

- Subscribers are entitled to receive the single journal volume covered by their subscription. This is published at the end of each calendar year. Hard copy is circulated shortly afterwards and may be delivered early the following year.
- Subscribers will also receive a copy of any occasional publications issued during the period covered by that volume.
- If you provide your email address we will be able to notify you of the contents of upcoming issues, let you know when the next publication is in the post, and give you a timely reminder to renew your subscription.
- *INJ* individual personal subscribers are entitled to free online access to the full back catalogue of *INJ* publications. This is arranged through an agreement with JSTOR who include a number of other Irish periodicals in this package. This is not available to institutions, who should register directly with JSTOR.

Group Subscriptions

Some institutions have taken out a group subscription at discount to cover several people in their organisation. If you want to explore this option please email us at irishnaturalistsjournal@gmail.com

Payment Options

- The simplest option is to use PayPal direct on our website on the subscriptions page here: <https://irishnaturalistsjournal.org/subscriptions>
- We also accept payments in either Sterling or Euro with cheques payable to **Irish Naturalists' Journal Ltd**. Cheques in Euro must be drawn on an Irish bank. Customers in other Eurozone countries must pay by bank draft.
- We can supply invoices if required, or bank details for direct fund transfers – **pauline.campbell@daera-ni.gov.uk**
