## Benefits of subscription

- Subscribers are entitled to the journal volume covered by their subscription.
- They will also receive a copy of any occasional publications issued during the period covered by that volume. **This includes Origins of Ireland's Biodiversity with subscription to Volume 41.**
- If you provide your email address we will be able to notify you of the contents of upcoming issues, let you know when the next publication is in the post, and give you a timely reminder to renew your subscription.
- *INJ* individual subscribers are entitled to free online access to the full back catalogue of *INJ* publications. This is arranged through an agreement with JSTOR who include a number of other Irish periodicals in this package.

## Group Subscriptions

Some institutions have taken out a group subscription to cover several people in their organisation at bulk discount. If you want to explore this option please email us at [irishnaturalistsjournal@gmail.com](mailto:irishnaturalistsjournal@gmail.com)

## Payment Options

- The simplest option is to use PayPal direct on our website on the subscriptions page here: <https://irishnaturalistsjournal.org/subscriptions>
- We also accept payments in either Sterling or Euro with cheques payable to **Irish Naturalists' Journal Ltd.** Cheques in Euro must be drawn on an Irish bank and unfortunately recent changes by our bank mean that they **will only accept these for a value of over €50**. You could change to using PayPal, or send a cheque for two years' subscription. *INJ* cannot process cheques for €29 standard personal subscription but this is out of our hands. Customers in other Eurozone countries must pay by bank draft.
- We can supply invoices if required, or bank details for direct fund transfers – [pauline.campbell@daera-ni.gov.uk](mailto:pauline.campbell@daera-ni.gov.uk)
